*“What would convince you to choose transit over your personal vehicle?”*

Leading with Transit (LWT) is a community-led Nova Scotia wide initiative dedicated to making transit the first and best way to get around. LWT's Mission is ***to make transit the first and best choice for getting around Nova Scotia***, and is based on 7 Guiding Principles: ***Frequent, Reliable, Efficient, Permanent, Accessible, Passenger-Centric, and Placemaking.*** More information can be found at [leadingwithtransit.com](http://leadingwithtransit.com) & [facebook.com/leadingwithtransit](https://facebook.com/leadingwithtransit)
